

CALL FOR LEGISLATIVE INTERNS FOR TDP MEMBER OF PARLIAMENT

About Politics for Impact

Politics for Impact is a capacity-building organization working at the confluence of policy and politics, to empower political leaders to manage their constituencies effectively by working on solving issues affecting their constituents. We aid political leaders in keeping abreast of local, regional and national political landscapes.

Politics for Impact actively engages with young and dynamic public representatives working for the welfare of their constituents, by engaging with various stakeholders including non-profits, think tanks, media houses, student bodies, labor unions. We provide support to elected leaders to aid them in performing their legislative duties and create reforms in the public policy of the country. In the process, we aim to shape young policy and political leaders who will transform politics and policy in India.
