ABOUT C. P. SUDHAKARA PRASAD

Late Senior Advocate C.P. Sudhakara Prasad was the former Advocate General of Kerala. He served as the All India Lawyers Union's State President and Vice President. Hailing from Chavancode near Varkala, C.P. Sudhakara Prasad served dutifully as the Advocate General of Kerala for two terms. He was first appointed as Advocate General by the LDF government of V.S.Achuthanandan and served from 2006 to 2011. His second term was from 2016 to 2021, during the first Pinarayi Vijayan government, and he was assigned cabinet rank.

He graduated from Government Law College in Thiruvananthapuram in 1964 and began his legal career in Kollam under C.V.Padmarajan, a former Minister. He moved his practice to Ernakulam, where he worked for Justice P.Subramanian Poti, who later became Chief Justice of Kerala and the Gujarat High Court. He then began practising independently and specialised in service and Constitutional Law. The High Court of Kerala designated him as a Senior Advocate in 2002. He also served as Chairman of the Bar Council of Kerala from 2016 to 2019.

ABOUT ALL INDIA LAWYERS UNION

All India Lawyers' Union was formed 40 years ago under the patronage and guidance of Justice V. R. Krishna Iyer, Justice H. R. Khanna and Justice A.C. Gupta, who were the icons of the Indian judiciary. The 400 lawyers who attended the preparatory meeting held in New Delhi on 13th April 1982 were further emboldened by the charismatic presence of the then Chief Minister of West Bengal and legendary leader of the working class, Comrade Jyoti Basu. Under the inspirational leadership of Senior Advocates Danial Alma Latifi and Hardev Singh, an organising committee was elected with the mandate to convene the first National Conference within one year. The self-criticism of the lukewarm response by the lawyers to the tyranny during the National Emergency led to the formation of the progressive lawyers' organisation with a clear vision. Since its formation in 1982, AILU has always remained steadfast in protecting and upholding the democratic rights of the legal fraternity and has also joined hands with the people's struggle for a brighter tomorrow. Currently, the organisation has the strength of about 50,000 public-spirited lawyers spread across the country.

ABOUT THE COMPETITION

The art of mooting is one of the fundamentals that a law student undertakes to become a master in law. Mooting imbibes skills like Research, Legal Writing, Critical Thinking, and Communication, which are quintessential for the development of a student as a budding lawyer.

The All India Lawyers Union Ernakulam District Committee is organising the 4th edition of C.P. Sudhakara Prasad Memorial National Moot Court Competition in 2025-26, following the great success of its 1st, 2nd and 3rd editions which were held in 2022, 2023 and 2024 respectively, envisioning a bright future where mooting is an inclusive experience that enhances the legal proficiency and courtroom decorum of students. The moot problem revolves around the Constitutional functions of the Governor under Article 200 of the Constitution of India to give assent to the Bills passed by the State Legislative assembly. This topic is of great significance in the current legal and political scenario in view of the different cases filed by the State Governments of the country challenging the Governor's actions before the Apex court.

This competition hopes to be a collaborative experience that opens up the mind of Law students to new facets of Law. Participation is limited to law students enrolled in the 5-year integrated programme and 3- years LLB programme with an aim to inculcate legal acumen and provide a platform for networking.

GLIMPSES OF PREVIOUS EDITIONS OF THE COMPETITION

The C.P. The third edition (2024–25) continued this legacy with a thought-provoking moot problem based on the “One Nation, One Election” policy, testing participants on issues of constitutional law and democratic governance. Registrations opened in January 2025, and after a series of online preliminary rounds, eight teams advanced to the quarter-finals. The advanced rounds, held on 22–23 March at NUALS, Kochi, featured top teams from NMIMS Hyderabad, Christ University, Symbiosis Pune, Mar Gregorios College of Law, and NUALS, Kochi.
